**REP. JIM ARCIERO
ENDORSES PUBLIC DEFENDER MARA DOLAN
FOR GOVERNOR’S COUNCIL**

Says “Mara Dolan knows the judicial branch and will be a great member of the Governor’s Council.”

September 1, 2022, Chelmsford, MA – Today State Rep. Jim Arciero endorsed public defender Mara Dolan for Governor’s Council, [District 3](#). Arciero represents the 2nd Middlesex District, which includes Chelmsford, Littleton, and Westford. The Governor’s Council vets and votes on judicial nominations, members of the Parole Board, and commutations and pardons.

“I am proud to give my strongest endorsement and support to my friend, Mara Dolan, for the Massachusetts Governor’s Council,” said Arciero. “Mara has years of experience as an attorney and public defender working in the Massachusetts court system across our commonwealth. She knows the judicial branch and the importance of selecting the right judges for our state in order to provide for fairness, equity, and justice for all of our citizens. Mara has the character, experience, and knowledge to be a great member of the Governor’s Council and will bring a new and refreshing perspective to this important position. Please join me in supporting and voting for Mara Dolan for Governor’s Council on Tuesday, September 6!”

“Rep. Arciero’s endorsement means a great deal to me,” said Dolan. “He has worked hard to help increase access to mental health care for veterans and students. Many of the folks who need those services wind up in our court system. Rep. Arciero’s work is making an enormous difference in people’s lives and in our communities. I am very honored to have the endorsement of Rep. Arciero and know how much it will mean to voters in Chelmsford, Littleton, and Westford.”

The primary is on September 6, 2022. For more information, go to MaraDolan.com.
